

PRODUCT INFORMATION

FT251 Floor Cleaner

APPLICATION

May be applied with automatic floor equipment, wire brushes, sprayers and other conventional methods. Experiment with this product before establishing procedures.

DESCRIPTION

FT251 Floor Cleaner is a highly concentrated chemical cleaner specifically formulated for specialized, heavy duty, concrete floor cleaning and preparation prior to the application of polymeric coatings and resurfacers. This cleaner is designed with low foaming emulsifiers and degreasing builders in high concentration and is compounded to maintain high alkalinity throughout various dilutions.

ADVANTAGES

- Fast removal of heavy dirt, oil, and grease deposits
- Instant action dissolves and emulsifies grease and grime
- Rust inhibitors for safe use on ferrous surfaces
- Formulated for conventional or automatic scrubbers
- Rinses freely without leaving a film
- Non-flammable

PACKAGING

Available in fifty-five gallon drums.

MIXING RATIOS

Heavy Soil 1:10 12 oz./gal.

Medium Soil 1:20 6 oz./gal

Light Soil 1:40 3 oz./gal

These directions are suggested and may vary.

TYPICAL PHYSICAL PROPERTIES

Property	Test Method	Results
Flash Point, °F (°C) Seta Closed Cup	ASTM D 3278	None
Density, lb/gal	ASTM D 1475	9.2 + 1 Lb
Color	Garner-Holdt	Deep Red
Odor		None
pH		12.8—13.8
Foam		Low
